NEW *ergoliner*[®]

This electrically height-adjustable desk stands out with its four powerful lifting columns, allowing you to customize the working height to your preference. With just the push of a button, you can set the desk to your preferred position thanks to three memory height settings.

The ergonomic design ensures maximum comfort and promotes a healthy posture—perfect for productive and back-friendly work.

- Intelligent anti-collision system with adjustable sensitivity for optimal protection
- Extensive integration accessories such as power supply, multi-wall setup, or under-mounted cabinets
- Height-adjustable leveling feet up to 20 mm
- Very quiet operation with less than 50 dB
