### Drawer Cabinet R 24-24

Ref. No. 700/1321V10A

705 x 736 x 1019 mm (W x D x H)

7 x drawer

Drawers with full pull-out 100% - load capacity 100 kg

More on page 6

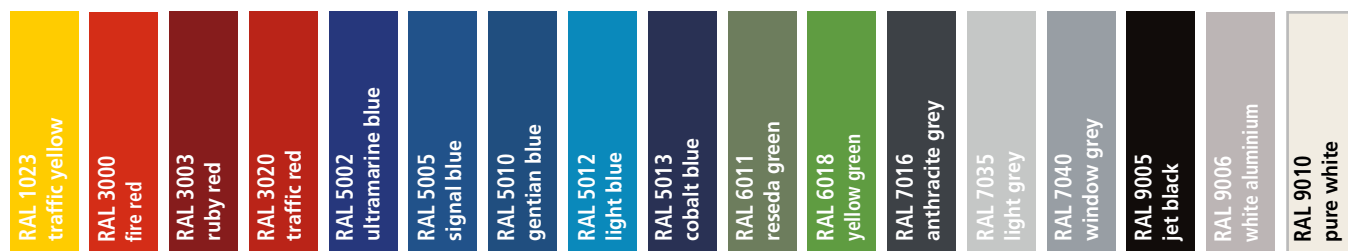

Valid until  
30.09.2026

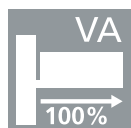

## Standard colors

- Environment-friendly powder-coating, 2-tone-combinations **without supplement**
- **Please, indicate the colour/colours in your order. When not indicated, we deliver the product in the standard color light grey (RAL 7035) and light blue (RAL 5012)**

## Drawer extension

- All drawers fitted with full extension 100 %
- Depth 500 mm:  
All drawers fitted with load capacity 50 kg
  - Depth 736 mm:  
Drawers with front height 50 mm - load capacity 70 kg
  - Drawers with front height 75 mm - load capacity 100 kg
  - Drawers with front height 300 mm - load capacity 180 kg
  - Ball bearing slidess

## Express 72 h

Express 72 h:  
All products with this sign and in the colours RAL 7035/5012 can be despatched 3 days after order.

## Certificate

TÜV-GS-certificate for all drawer cabinets in depth 736 mm

## CO<sup>2</sup> Emission value

The energy consumption of each individual energy source was determined by an external auditor. The data comes from the energy audit in accordance with **DIN 16247-1**.

## BEST OF SPECIAL

## Inserts

- This system is the most flexible available.
- The black plastic inserts are clipped into the heavy gauge steel tool carrier through a series of rebated slots.
- No fasteners are required to locate the inserts which can also be quickly removed by depressing the integral locking lug.

## Battery charging cabinet

### Disclaimer:

Do not store explosive or easily flammable objects, such as spray cans, in the battery charging cabinet.

### Battery charging cabinet

- No ventilation slots in the side panels, so the cabinets can be placed flush against each other
- Ventilator incl. main switch and thermostat for optimized thermal management and overheating protection
- Height-adjustable E-shelves (adjustment range limited by cable length)
- Maximum of 3 E-shelves possible per cabine
- 3 metre supply cable

In case of an order, please indicate the country-specific sockets which are needed. Otherwise we will deliver with German sockets!

TÜV tested  
CE-certification
